UI/UX Designer (all gender)

Viewed

ALTEN Germany

💼 Unknown Level | 📍 Munich, Bavaria, Germany | 📈 IT Services and IT Consulting

⌚ Not specified | 💸 Not specified

Key Insights

Pros

- ✓ The role directly aligns with her skills and experience in UI/UX design.
- ✓ Located in her preferred city, Munich.
- ✓ The mention of Angular Material suggests experience with frontend frameworks which she possesses.

Cons

Reason for Recommendation

This UI/UX Designer role in Munich strongly aligns with Jiaqi's skills and experience, especially her background in product design and UI/UX development. The location matches her preference, and her German language skills are likely sufficient given the description.
